Dated:-29-12-2021

Respected Madam,

With due respect I would like to bring in to your kind notice that the actual cost of above mentioned project was Rs. 571.42 Lac and total amount of Rs. 497.50 Lac released by the Higher Education Department J&K. The amount released has been already released to the executing agency in full. However the executing agency has surrendered amount of Rs. 147.50 Lac due to non-utilization of fund on time. Now the agency has requested for further release of Rs. 130.00 lac to meet the work done liability of Rs. 95.00 Lac and Rs. 35.00 Lac for completion of roofing, so that the building would be handed over to the college at an earliest.

In these regard your good self is requested to release the required amount.

Yours faithfully,

(Dr. Amina Qari)
Principal

Subject:- Handing over of newly constructed additional Block at Government Degree college kargil to the College authority

Reference:- Registrar(UOL/Leh/ TR/79/2020 dated:- 20/10/2021 .

Sir,

The Registrar ,UOL vide his letter NC and date has directed to this office for handing over the building and as per the report submitted by the Assistant Executive Engineer sub Division Right kargil the lecture block has been sanctioned with an estimated cost of Rs 571.00 lacs in 2017. The work in the said building was started in 2017 and in 2019 the building was completed except the CGI roofing. However ,RCC slab has been casted over the 1st floor. The building is complete in all respect and can be handed over to the college authority after settling the claims of the agency. The building is ready for running classes. The roofing of the lecture block can be kept as flat roof with some water proofing treatment and can be utilized for placing solar power plants and other utilities if college authority agrees. The upto date expenditure of the project is Rs 350.00 lakhs and additional amount of Rs 95.00 lacs is required for the work done claims. Also additional amount of Rs 35.00 lacs is required for the year 2022-23 for roof treatment and parapet walls, or construction of truss over the 1st floor.

Yours faithfully

Executive Engineer

Subject: - Supply of water through water tanker.

Sir,

Kindly refer to the subject cited above. In this connection I am to state that the roll of the college is 2900 students out of total enrollment 80% are girl's students. The College wash rooms, laboratories and canteen block needed water. The students and the staff are suffering a lot due to unavailability of water in the wash rooms; lab practical works has been suffered also. In this regard I request you to kindly supply one no of water tanker on alternate basis.

Yours faithfully,

Subject: Construction of Lecture halls (theatre type) and staff rooms double storied in Govt Degree College Kargil.

Madam,

Kindly refer to the above subject, in this regard it is to state that the above mentioned building was accorded by Commissioner Secretary to Government Higher Education Department vide Govt order No-355-HE of 2016, dated:-21/11/2016 for an amount of Rs571.42Lacs. The work on the said building was started in 2017 and was completed up to 1st floor slab level in 2019. The class rooms in both the floors are completed in all respect and classes can be started any time. The department is ready to hand over the building after clearing the work done liability of the agency.

The financial status of the building is as under

1. Total funds utilized Rs350.00Lacs
2. Work done liability Rs95.00Lacs
3. Funds required for completion of roofing in 2022 Rs35.00Lacs.

So kindly take up the matter with higher authority for arrangement of funds from over all saving so that the work done claim of the agency is cleared as the agency is pressing hard for clearing his claims, and the building could be utilized for running classes and shortage of class rooms could be alleviated to some extent.

Yours faithfully,
